

Student Accepts Utah Vocational Excellence Award

Janette Giles

Utah's Vocational Excellence Awards were presented to 17 graduating seniors Monday, May 15, during noon ceremonies at Salt Lake Community College.

Janette Giles, daughter of Steve and Joan Giles, was selected to receive the Utah Vocational Excel-

lence Award in Business.

The award is designed to recognize students who achieve excellence in Utah's vocational and technical education programs and to increase public awareness of the quality and value of those programs. The awards included a plaque, cash, and a scholarship.

The awards recipients emerged from a field of more than 100 finalists who participated in a day-long session of portfolio presentations and interviews conducted by committees representing business, industry, and education.

The finalists had been determined earlier by their performance in state-level competition conducted by various student organizations such as Future Business Leaders of America (FBLA).

The Vocational Excellence Award was conceived by *The Salt Lake Tribune* and KUTV-2 in cooperation with Warren Pugh, a long-time state senator, as a means of recognizing achievements by vocational students.
